Texture/Recode:-----[ None ]-  
Drivers/Extras:-----[ DX, UcRedist, ]-  
Trailer:-----[ [http://www.youtube.com/watch?v=Gh\\_DK6uc4](http://www.youtube.com/watch?v=Gh_DK6uc4) ]-

## INSTALL INFORMATION

Step-1:-----[ UnRAR Yourself Or Use Our Install.exe ]-  
Step-2:-----[ Run "Unpack".bat As Administrator  
To Unpack/Rebuild ]-  
[ Our Install.exe Does This Step For You ]-  
Step-3:-----[ Run payday2\_win32\_release.exe To Play  
Or Use The Created Desktop Icon ]-  
Time: Unknown. 8 Cores [ ]  
4 Cores [ ]

## Notes:

We Recommend Installing To A Short Path (Like The Install.exe Default) As Long Path Names Can Cause Missing Files On Certain Games During Rebuild.  
Unless You Changed It The Default Extraction Folder Install.exe Creates Is C:\Games/  
This Is Where You Can Find The Games.exe.  
If Install/Rebuild Seems To Freeze Leave It Alone.  
Install/Rebuild Is Normally Very Time/Space Consuming.  
(So Ensure You Have Plenty Of Space And Patience)

## EXTRA INFORMATION & HELP

### \*\*FALSE-POSITIVES\*\*

In Some Cases Some Of Our Tools May Get Detected As Suspicious Or As A Virus By Some Antivirus Software. This Is Also The Case With Some Cracks/ModDUDs. We Assure You This Is A False Positive And All Our Files Are Clean. If Any Of These Files Are Deleted The Chances Are The Game Will Not Start Or Will Function Incorrectly.

### \*\*GAME-FAILED?\*\*

If You Are Left With Empty Folders You Have More Than Likely Run Out Of Temporary Hard Drive Space For Decompression. Free Up Alot More Space And Reinstall.

If You Are Missing Textures Or Audio Your Antivirus Has More Than Likely Deleted One Of Our Tools. Disable Your AV And Install Again.

If The Game Will Simply Not Start Check Minimum Requirements, Update All Your Drivers, Check Our Extras Folder For Missing Drivers Or Reg Data What May Have Failed To Install. Also Make Sure Your Antivirus Has Not Deleted The Crack/ModDUD Or Anything Else It Shouldnt Have.

## GROUP NOTES

Peace Tranquility  
Drunk And High  
Chilled And Relaxed  
Thats How We Get By

Contact |-----[ KaOsKrew@HUSHMAIL.COM ]-

!No Tech-Support? .. No Missing Files .. No Noob/Laners

We Do Not Use Any Type Of Social Networking/Messaging  
So Dont Bother Emailing/Requesting

Respect To All Serious Rippers That Keep The OLDSKOOL Alive

We Are Currently Looking For Gfx Artists For Our  
Install.exe Give Us A Mail Or Find Us.
